190m² Neat Office Space

This first-floor office space is located in a secure office park and covers an area of 190 square meters (m²). The office features a large, open-plan layout, providing ample space for a productive and collaborative work environment. With the benefit of air conditioning, employees can work comfortably throughout the year. Additionally, there is a separate, spacious individual office that can be used for private meetings or as a dedicated workspace for managers. The open-plan design and individual office offer flexibility to cater to various work styles and requirements. The office space includes convenient facilities to support the daily needs of employees. A neat kitchen is provided and as well as a dedicated ablution area.
