1000m² Portal Style Warehouse To Let

We are offering a spacious warehouse of 1000 square meters for lease in the prime location of North End. This well-designed facility features a portal-style structure, providing a distinctive and functional aesthetic. The expansive open floor space within the warehouse offers ample room for various business activities. With an impressive internal height ranging between 6 to 9 meters, the warehouse provides a comfortable environment for diverse operations.

A standout feature of this warehouse is its high bay industrial roller door, which facilitates easy access for large vehicles and equipment. This makes the space exceptionally suitable for businesses focused on storage, manufacturing, or even mechanical
