545m² Portal Style Warehouse

This centrally located 545m² portal style warehouse offers a prime opportunity for businesses in need of storage or light manufacturing space. Situated in a convenient location, the warehouse provides easy access and accessibility for both suppliers and customers. Its prominent position also presents an excellent branding opportunity, allowing businesses to showcase their identity and attract attention.

With a large paved verge in front of the building, the warehouse facilitates efficient loading and offloading of goods, while also providing ample space for staff parking. These features make it a highly desirable location for businesses seeking a well-connected and functional warehouse facility.
